

2021 Virtual 5K FUN RUN

Supporting Youth Financial Literacy

April 23 – 25, 2021

TEAM GUIDE

Register as an Individual or get five of your friends to participate with you and register as a team (6 people).

Benefits to registering as a team:

- Get a discount on the registration fee for each team member
- Opportunity to compete with other teams for prizes
- Make memories with friends, family, and co-workers
- Have more fun by participating with other people!

TIPS FOR FORMING A TEAM:

- 1 Get a commitment from 5 other people before you register as a team.**

Whoever registers the team and pays the fee using the “Team Registration” link will be the Team Lead. You will be asked to provide the names and t-shirt sizes for each team member, so gather that information before you register.
- 2 Create a team name and a fundraising goal.**
- 3 Decide when, where, and how your team is going to do the Fun Run:**

WHEN: Identify a day & time during April 23-25 (Friday – Sunday)

WHERE: Decide on a location for your Fun Run. Choose one of our recommended 5K courses, or a location/course of your own choosing (does not have to be 5K).

HOW: Will you meet up in person? Or connect via technology?
Will you run? Walk? Ride bikes? Or something different?
You and your teammates can decide what scenarios work best for the group.
- 4 Make the experience extra fun by planning a unique theme for your Fun Run.** Maybe you all wear costumes, crazy socks, or matching hats. What will set your team apart in the photos?

WIN PRIZES

There will be prizes for the teams that collect the most donations to support the CFE’s youth financial literacy programs.

1st Place	\$50 fitness pack for each team member
2nd Place	\$25 fitness pack for each team member
3rd Place	CFE party pack for each team member
